- Purchasing process by selecting a singer, albums & songs
- HTML - CSS - JS - React.js

SPA Dashboard
- Pure JavaScript implementation to emphasize the deep understanding of how SPAs work
- HTML - CSS - JS - Bootstrap - Firebase

Developer Workspace
- Program to document code snippets and gather under development projects in one place
- Python - Tkinter - SQLite

INFORMATION

Military's Status	Completed
Birthdate	03/1999

COURSES

React - The Complete Guide (incl Hooks, React Router, Redux)
Frontend Framework

NodeJS - The Complete Guide (MVC, REST APIs, GraphQL, Deno)
Backend Framework

React, NodeJS, Express & MongoDB - The MERN Fullstack Guide
Full Stack Practice

TECHNICAL SKILLS

JavaScript　Node　Express　MongoDB

React.js　Redux　Hooks　Firebase

mySQL　SQLite　MVC Pattern　JWT Token

Sessions　REST APIs　EJS engine

Websockets　Mapbox　Typed.js　Chart.js

Python　Tkinter　Webpack　Authintication

Validation　Authorization
